community support

Education providers
and schools

Charities
and not-for-profit
organisations

Commercial clients
requiring broader
cover

Community Housing
providers and related
property owners

Concordia was formed in 2015 and operates as a Managing General Agent for certain underwriting syndicates at Lloyd's in London. As such we are authorised to underwrite insurance on their behalf in New Zealand. Lloyd's has a AA- Standard and Poor's rating.

Concordia provides tailored insurance and risk mitigation for organisations that support their communities. Its approach focuses on broad policy wording, sector-specific expertise, cost-effective cover, and compassionate claims support so clients can keep delivering essential services with confidence.

WHY CONCORDIA

- Specialised insurance designed for mission-driven organisations
- Tailored cover that reflects each organisation's unique risks and operations
- Wider policy wording to provide greater certainty
- Risk management support to help reduce loss frequency and severity
- Fair, sensitive, and efficient claims handling
- Strong understanding of the funding, budget, and continuity pressures community.
